Introduction

A fantastic and rare opportunity to purchase this spacious four bedroom detached family home situated on the favourable West side of Newport, offering easy access to excellent amenities and main road connections. Within walking distance there are local shops, bus stops and well regarded schools as well as easy access onto the canal which offers beautiful walks. The M4 motorway is just around the corner too, providing easy access to neighbouring towns and cities.

The property was built by McAlpine Homes c.2002 and was the original show home, plus the detached double garage was used as the sales office so features plastered walls and ceilings plus has power and lighting. The property has had little done in the way of modernisation, making this the perfect opportunity for the purchaser to make it their own.

On entering the property, we are welcomed into the hallway which leads off to a large lounge with central inglenook fireplace, dining room, study, WC and a spacious kitchen/breakfast room with adjoining utility. Upstairs, the gallery landing leads off to four double bedrooms, two en-suites and family bathroom.

Outside, the frontage offers a double-width driveway which leads to the detached double garage which features power, lighting and loft space as well as plastered walls and ceilings. There is also a side pedestrian door to the rear garden which is enclosed, home to lots of mature plants and a side garden with store shed and gate access.
