Introduction

****NO ONWARD CHAIN**** - A fantastic opportunity to purchase this spacious detached family home, enjoying this larger than average plot within the highly regarded Rogerstone area of Newport, just minutes from excellent amenities and main road connections. Within walking distance there are local shops, bus stops, beautiful woodland walks and Newport golf club, as well as reputable primary and secondary schools including Bassaleg Comprehensive (*subject to availability). The M4 motorway at J27 is also close by, as is the A472, both providing an easy commute to neighbouring towns and cities.

The property was built by McAlpine Homes c.1992 and has been owned by the current owner since new. It occupies this larger than average, triangular shaped plot which is relatively private and has the potential to remodel, reconfigure or perhaps extend the actual house (subject to planning), whilst still retaining ample outdoor space.

On entering the property, we are welcomed into the hallway which leads off to a good sized lounge, dining room and kitchen with adjoining utility room, a study and a ground floor WC. Upstairs, the landing leads off to FOUR good sized bedrooms and family bathroom, with the main bedroom featuring two built-in wardrobes and en-suite.

The private rear garden is of good size and home to many fruit trees, also benefitting from a small patio area and gate leading out to the driveway which would comfortably accommodate four cars, plus a detached double garage with power and lighting.

Viewing really is essential to appreciate the huge potential this home has, as well as the generous sized plot which is rare to find in properties such as this.
